COMPASS

BUYER'S GUIDE

Jeep®

Jeep® Compass capability shines in every capacity ... with Trail Rated® performance badges to prove it. This is a Jeep that's comfortable navigating the twists and turns of everyday life but also pushes navigation map boundaries. Compass offers Jeep® Brand skills like controlled traction, water fording,* manoeuvrability, articulation and ground clearance. Advanced driving assist systems serve up a new level of driving autonomy, and brilliant digital displays deliver cutting-edge connectivity, entertainment and information. This Jeep exterior provides stunning, landscape-worthy views, while its interior caters to all the senses. With Jeep Compass, you'll reach higher elevations in every part of your world.

HIGH-LEVEL SKILLS AT EVERY ALTITUDE

Properly secure all cargo.

*A note about this brochure: all disclosures can be found on the last page.

Properly secure all cargo.

The 10.25-inch, frameless, digital, full-colour Driver Information Display (DID) allows you to customize the contents of up to 24 screens. Available.

The unique 10.1-inch radio shines within a very modern interior. Available.

The Jeep® Brand steering wheel offers a compact design with fingertip controls for communication, entertainment and vehicle data.²

Elegant door panels add a sleek, sophisticated appearance.

The raised centre console takes function and style to the next level, offering deep storage cubbies and an available wireless charging pad.

Enjoy standard heated front seats and /or the available ventilated front seats and heated steering wheel.

COMMANDING VIEWS

USER-FRIENDLY DESIGN allows access to the very latest tech, so you're always in touch and in control. The available Uconnect® 5 NAV Infotainment System with a 10.1-inch touchscreen stands as a focal point. The large, optional, 10.25-inch, digital, full-colour DID can be customized to show vehicle speed, navigation³ data, outside temperature, tire pressure monitoring and more. Compass offers seamless connectivity with wireless Apple CarPlay⁴ support and Android Auto™⁴ compatibility, Alexa Built-In⁵ services, and the full range of Jeep® Connect⁶ navigation,³ entertainment, and safety and security features. Plus, an available wireless charging pad adds welcome function to the raised centre console with its large cubby storage bin. The base of all these operations begins from the standard heated front seats and /or the available ventilated front seats and heated steering wheel.

Limited McKinley perforated leather-faced interior in Black
Android Auto™⁴ shown on touchscreen.

LOADS OF OPTIONS

Whatever your plans, Jeep® Compass is always flexible. Its available, motion-activated Open 'n Go rear liftgate conveniently opens by simply swiping your foot under the rear bumper, freeing up your hands to load in packages, bags or boxes into the cargo area. Thoughtful interior design includes a configurable 60 / 40 split-folding rear seat that easily converts to carry people, cargo and gear according to your needs. The height-adjustable rear cargo floor can lower to accommodate tall items or raise up for easy slide-in loading.

Properly secure all cargo.

GO ANYWHERE, DO ANYTHING[®]

THE TWO AUTHENTIC JEEP[®] BRAND 4x4 SYSTEMS can send up to 100 percent of available torque to any one wheel, helping to ensure your command over any terrain. With the help of a rear-axle disconnect, these systems can actively transition from 4x4 into fuel-saving Front-Wheel Drive (FWD), delivering both efficiency and capability when you need it.

JEEP[®] ACTIVE DRIVE You'll automatically enjoy seamless operations in and out of 4x4 mode at any speed with the rear-axle disconnect. Jeep[®] Active Drive also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use, all-weather boost in capability. Standard on all models.

JEEP ACTIVE DRIVE LOW is exclusively featured on Trailhawk[®] with a single-speed Power Transfer Unit (PTU) that offers torque management and 4x4 Low mode. When in Low, the system delivers additional power at low speeds, giving you the ability to crawl over boulders with confidence, thanks to a 25.4-mm (1-inch) increase in ride height and a crawl ratio of 20:1.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge, Ram, Wagoneer and FIAT retailer or call (800) 465-2001.

WARRANTIES. 2025 Chrysler, Jeep, Dodge, Ram, Wagoneer and FIAT vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.† Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.† The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.†

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 3) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 5) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 6) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions (including service limitations) and the Connected Vehicle Privacy Policy. 7) Vehicle must be locked and system activated for alarm to sound. 8) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 10) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 11) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 12) **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 13) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. 14) Always check entire surroundings visually before proceeding. 15) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 16) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. 17) Based on *EnerGuide* fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon.
