COMPASS
BUYER'S GUIDE

The Jeep® Compass has what it takes to gain traction in every corner of your world. Its stunning exterior makes a great first impression, and its welcoming interior caters to every sense. Trail Rated® performance means Jeep Compass Trailhawk® will smooth out those everyday bumps and curves, as well as put you at ease in more challenging terrain. After all, Compass has some inherent Jeep skills: water fording,^{1*} controlled traction, manoeuvrability, articulation and ground clearance — just to name a few. Advanced driving assist systems make for more autonomous and safer handling, while cutting-edge connectivity, entertainment and information features are delivered through intuitive digital displays. Clearly, Jeep Compass is built for elevation — in every sense of the word.

¹*A note about this brochure: all disclosures can be found on the last page.

The 10.25-inch, frameless, digital, full-colour Driver Information Display (DID) allows you to customize the contents of up to 24 screens. Available.

The unique 10.1-inch radio shines within a very modern interior. Available.

The raised centre console takes function and style to the next level, offering deep storage cubbies and an available wireless charging pad.

The Jeep® Brand steering wheel offers a compact design with fingertip controls for communication, entertainment and vehicle data.²

CONSTANTLY IN TOUCH

USER-FRIENDLY DESIGN allows access to the very latest tech, so you're always in touch and in control. The available Uconnect® 5 NAV Infotainment System with a 10.1-inch touchscreen stands as a focal point. The large, optional, 10.25-inch, digital, full-colour Driver Information Display (DID) can be customized to show vehicle speed, GPS navigation³ data, outside temperature, tire pressure monitoring and more. Compass offers seamless connectivity with wireless Apple CarPlay⁴ support and Android Auto™⁴ compatibility, available Alexa Built-In⁵ services, the full range of Jeep® Connect⁶ GPS navigation,³ entertainment, and safety and security features. Plus, an available wireless charging pad adds welcome function to the raised centre console with its large cubby storage bin. The base of all these operations begins from the standard heated front seats and the available heated steering wheel.

GREAT OPENING KICK

Limited in Silver Zynith Metallic

Properly secure all cargo.

STOW AWAY

WHATEVER YOUR PLANS, Jeep Compass is always flexible. Its available, motion-activated Open 'n Go rear liftgate conveniently opens by simply swiping your foot under the rear bumper, freeing up your hands to load in packages, bags or boxes into the cargo area. Thoughtful interior design includes a configurable 60 / 40 split-folding rear seat that easily converts to carry people, cargo and gear according to your needs. The height-adjustable rear cargo floor can lower to accommodate tall items or raise up for easy slide-in loading.

1. Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 2. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 3. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 5. Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 6. All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions (including service limitations) and the Connected Vehicle Privacy Policy. 7. **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 8. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9. Vehicle must be locked and system activated for alarm to sound. 10. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 11. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 12. This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 13. Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 14. Based on *EnerGuide* fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon.
